January 7, 2019
9:00-9:30 am Coffee & continental breakfast
9:30-10:30am Opening Plenary – Roald Hoffmann, Professor Emeritus, Nobel Laureate in Chemistry, Frank H.T. Rhodes Professor of Humane Letters
Providing Scientific Papers, 120 PSB

All Remaining Sessions Move to 401 PSB
10:30 – 10:45 Coffee and Snacks Break
10:45-12:00 Panel Discussion – Scientific Writing, Publishing, Presenting
Panelists: journal editors Professor Shane Henderson (Stochastic Systems, Operations Research & Information Engineering), Professor Matt Miller (International Journal of Fatigue, Mechanical and Aerospace Engineering), others expected
12-1:30pm Lunch (catered buffet)
12:30pm Lunch Speaker – Marsha Taichman on Presentation Skills (Visual Resources Librarian)
1:30-2:30pm Research Impact & Responsible Conduct
Web of Science, Journal Citation Report, metrics - Jeremy Cusker, Earth Sciences and Engineering Outreach Librarian; Professor Maurine Linder, Chair, Department of Molecular Medicine
2:30 – 2:45pm Coffee and Snacks Break
2:45-3:45pm Intellectual Property (copyright, author rights, patents, CC licenses), Amy Dygert, Director of Copyright Services
3:45-5pm End-of-day survey; MakerSpace tour

January 8, 2019 in 410 PSB
9:00-9:30 am Coffee & continental breakfast
10:30-10:45 Coffee and Snacks Break
10:45-11:00 arXiv Submission and Busyman’s arXiv, Henrik Spoon, Physics Astronomy, and Mathematics Librarian
11:00 -12:00 Data Management & Data Science
Wendy Kozlowski, Data Curation Specialist; Leah McEwen, Chemistry Librarian
12-1:00pm Lunch (catered buffet)
1:00-2:30pm Databases Round Robin (standards, property databases, library website overviews, streaming library videos, Engineering Village/INSPEC) – Jeremy Cusker, Earth Sciences and Engineering Outreach Librarian; Leah McEwen, Chemistry Librarian; Jill Powell, Engineering Librarian
2:30 -2:45pm Coffee and Snacks Break
2:45-3:45 P  **Productivity Tools** (Electronic Lab Notebooks, Citation Management, Unpaywall.org, Journal TOCs, LaTex, Overleaf, etc.) Leah McEwen, Chemistry Librarian; Jeremy Cusker, Earth Sciences and Engineering Outreach Librarian

3:45-4pm  Wrap-up – final evaluation
